November 2018

Dear Friends,

During this time of the year we are thankful for the many blessings that the Lord has bestowed upon us. We are *grateful to our holy God* that He has entrusted this vital ministry to us and that others are joining together to make our voices stronger.

We're *thankful to the Lord* for our livestream program, [www.raymoorelive.com](http://www.raymoorelive.com), which is continuing to grow, not only in the number of people watching, but also in another special way. As more people are watching the one hour a week program (Tues. 11:00 am–12 Noon ET), some are being led to partner with our ministry as well. We are happy to announce that we have added two new state coordinators, one in Alaska and one in Kentucky. We also have two more volunteers from Colorado and Michigan, currently in the process of becoming state coordinators. We would eventually hope to have a coordinator in each state, so please, pray along with us that the Lord would provide more special volunteers. Although the program adds to our workload, we are grateful that the Lord has supplied the strength to accomplish it. We encourage you to go to the archives (top right) and view past programs. **Please, use your social media to promote [www.raymoorelive.com](http://www.raymoorelive.com).**

We're *thankful to the Lord* for the **4<sup>th</sup> Annual Great Education Forum**, which in addition to the attendees had almost 480 viewers on livestream. We have enclosed an article written by Michelle Payne, which covered the Forum. We're already planning for next year's Forum. As a result of this year's Great Education Forum, a new alliance of Christian education-based organizations has formed to strengthen the Christian education message through our various specialties. Ecclesiastes 4:9 says, "*Two are better than one, because they have a good reward for their labor.*" He is expanding our operations to include this new outreach initially to be under the "umbrella" of Frontline Ministries, Inc., like the Exodus Mandate Project, and temporarily will be called the Christian Education Fellowship. We have an initial 14 members, listed on the back of this page, with prospects for another 20 or more member groups joining in the next several months. Ray is serving as chairman.

We're *thankful to the Lord* that we now have a new brochure, "**Pastors Taking Cover**," which speaks to the responsibility that pastors have to lead their flocks by preaching what the Scriptures teach on Christian education and homeschooling. We are enclosing this brochure and ask that you share this with your pastor. If you would like more copies to distribute to your local area churches, and would like to make your own

copies, that would be a great help. If you would like us to send you more copies, let us know on the enclosed response card.

Most of all, we're *thankful to the Lord for **YOU!*** Your prayers, encouragement, testimonies and gifts are the fuel that keeps this ministry alive. What a *wonderful blessing* to have like-minded people like you with us, who genuinely care about the battle for our children's souls and how they are educated! **Please, pray** for Christian parents who are faithfully seeking to honor the Lord in the education of their children and for those who continue to sacrifice their children's minds and hearts on the altar of public education. Pray that these parents will realize their error and remove their precious children from these indoctrination centers.

We're *thankful to the Lord* that the ministry is experiencing growing pains, but along with this blessing come unexpected expenses. We're humbly asking that you **consider sending a contribution** to help in keeping the ministry thriving and going forward. Like many mission-based organizations, we typically raise nearly half of our budget in the last two months of each year. We are a growing organization and count on many people who volunteer their time and efforts to our mission, while a few others receive only a modest salary. Publishing and operations costs however, are substantial. We rely on our donors like you to spread this Exodus Mandate message of the biblical importance of Christian education. As always, your gifts are tax-deductible.

We hope you have a *blessed Thanksgiving* with family and friends this season, in celebration of God's blessing of founders to our nation who sacrificed to procure our freedom to train our children in the Lord.

In Christian love,

E. Ray Moore, President  
Frontline Ministries, Inc.
