

Frontline Ministries, Inc. & Exodus Mandate Project

P.O. Box 12072 • Columbia, SC 29211 • 803-714-1744 • www.exodusmandate.org • **October 2020**

Many new exciting events are taking place now with the Exodus Mandate Project and with our allied ministries. *The Federalist* published an article on Sept. 3, 2020 entitled, “Thanks to Coronavirus Panic, 1 in 10 American Families Is Now Home-Schooling” in which a Gallup poll stated that 10% of all K-12 students are now homeschooled. **This is HUGE!** The study shows our long campaign to advance K-12 Christian education and homeschooling is bearing fruit and it is not over. Another 10% could follow suit when all the government schools finally reopen. To read the entire article, go to www.thefederalist.com. 🍁

We are offering an important new book, *Land That I Love*, authored by Bobbie Ames, a 35-year personal friend and friend of the Exodus Mandate ministry, too. Exodus Mandate is written up on page 129. We have some copies available for a suggested donation of \$30.00. This important work encourages our Exodus Mandate supporters to counter the Marxist interpretation of American history so prevalent in both K-12 and higher education. My endorsement reads: *“Is there a second act for America? Does America get a second chance? If it could be so, Bobbie Ames’s book, Land That I Love, has the moral, historical, and biblical prescription for such a renewal. Many years ago, before her late husband died, he urged her to give herself fully to children and Christian schooling. He said, ‘If you do this, you cannot go wrong.’ Indeed, she has given herself to this wonderful Christian service for fifty years. Her book is a compilation of the wisdom and experience she passed to her Christian school children, a resource to be used for both Christian schools and homeschooling to ‘restore our Christian heritage.’”* 🍁

I have attached an abridged version of my sermon given at Liberty University’s 500th Anniversary celebration of the Reformation in 2017 entitled, “What Once Was Can Be Again: Christian Education and the Reformation.” You can view the 28 minute version at www.exodusmandate.org. 🍁

Exodus Mandate and our allied Christian Education Initiative (CEI) www.ChristEdu.org and www.publicschoolsexit.com are at our peak influence, but our financial support is not strong. We are very thankful for the generous partners we have. As you may remember, our largest donor of 15 years passed away in 2019, and we no longer receive his large yearly donation. We need our current donors who are able to increase their giving, and we need new donors, as well.

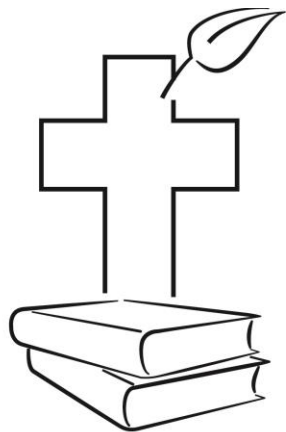

If you would like to make a donation online, please visit www.exodusmandate.org and give to the general fund. If you would like a copy of the *Land That I Love* book, you can give to the general fund, and send us an email with your request. www.exodusmandate@gmail.com

During this harvest season, we are reminded that the fields are ripe unto harvest with millions of children now being homeschooled across the nation. We need to continue to reach Christian families with the message that their children ***need*** Christian education, whether through homeschooling, Christian online schooling, or private, Christian schools. All of these options have been exploding with growth and enlarging enrollment. The time for harvest is ***now***. ***“The harvest is plentiful but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field”*** (Matthew 9:37-38).

In Christian love and blessings,

E. Ray Moore
