December 2024

Dear friends,

Rejoice with us as we see how the Lord Jesus Christ has blessed us in 2024!

We celebrated Frontline's 30-year Anniversary with a \$20,000 matching gift letter in April, to which many of you responded and helped us meet that challenge. On September 6, we held a special 30-year banquet with guest speaker Dr. Carl Broggi, senior pastor of Community Bible Church and headmaster of Community Bible Church Christian Academy for K-12 home education. To view his challenging and encouraging speech, which addressed the questions, "Why Should Pastors Promote Christian Education?" and "Why Don't Pastors Promote Christian Education?" Dr. Carl Broggi

It was also my honor to present Dr. Broggi with the 2024 Dr. Robert Dreyfus Courageous Christian Leadership Award at the banquet in September. Please, read the enclosed news release which describes why he was chosen for this year's award.

As a family, we personally rejoice in God's goodness as my wife of 55 years, Gail, suffered a stroke on September 4 in our home. Ambulance workers came within 15 minutes and rushed her to the hospital, where doctors were able to administer the medication she needed to recover. The Lord healed her quickly and within a month she was back at work with no problems, other than tiring quickly. **THANK YOU** for your many prayers lifted up on her behalf.

On March 21, we were attending a Public School Exit (PSE) luncheon at the Mar-a-Lago club in Palm Beach, FL, for which I serve as chairman of the board. I was surprised and honored to receive the inaugural E. Ray Moore Christian Education Hero Award, which recognized me as a founding patriarch of the modern American educational liberty movement. Gail was also recognized for her service as the founding matriarch. PSE executive director Alex Newman stated, *"It is only fitting that this award be given to Ray Moore, a giant in the movement for educational liberty and the restoration of Christian education. Ray has been an inspiration to so many families. His impact will reverberate through history."*

For 30 years, Frontline Ministries, Inc., has been a major leader in raising awareness of the collapse of public education and encouraging Christian parents to remove their children from the godless government institutions. Frontline Ministries, Inc., has been defending traditional Christian

principles in American culture, especially in the arena of children’s education through its project, Exodus Mandate.

Throughout 2024, the Lord has kept me busy attending many meetings and conferences, Zoom calls, radio interviews, print interviews, etc., as I share the vision and mission of our ministry to folks all over the country. May He continue to bless our efforts in reaching Christian parents with the message of K-12 Christian education and homeschooling. As long as the Lord keeps opening new doors of opportunity for me to share, and blesses me with good health, I will continue to “beat the drum” that ***Christian Children Need Christian Education.***

We are thankful for ***you*** and your continued support of our mission. Your partnership allows us to make a meaningful difference in the lives of students, educators, and families, and for that, we are deeply thankful.

We are offering Brad Heath’s book, Millstones & Stumbling Blocks, which is no longer in print, as a ***gift*** to the first 25 donors for a suggested donation of \$50.00 or more. As an impassioned advocate for the recovery of substantive Christian education, Heath sounds a clarion call for the evangelical church to commit to Christian education as part of a walk of faith and obedience. If you would like to join us in continuing this vital message, please, use the enclosed response slip to donate. All gifts are tax-deductible.

As we reflect on the blessings of this season, know that ***you*** are an essential part of the work we do. We are blessed by your commitment to our shared vision, and we covet your prayers as He allows us to continue to promote Christian education. ❤️

In His grip,

E. Ray Moore
